

Start Here: P8
(Bootstrap code)

RGB color mapping stuff...
https://www.rapidtables.com/web/color/RGB_Color.html
<https://colors.dopely.top/color-pedia/>

Key:

Format: P<number>; S<number>

P → partition number

S → logical partition sector address

Idea... Use FAT Partition Boot Sector...
<https://www.ntfs.com/fat-partition-sector.htm>

What Forensics Tools???

Autopsy helps
some, too

WinHex,
testdisk

Partition #s can differ!
Use...
testdisk
Autopsy
WinHex
memts
FFK-Imager
